

# Technical Reference

## Capstone Remote Monitoring System (User Edition)

This document presents the control and monitoring features for the User Edition Capstone Remote Monitoring System (CRMS) software.

### Toolbars

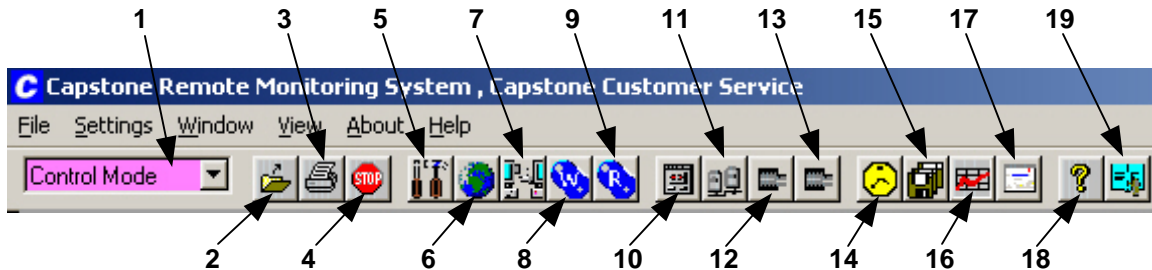

The various Toolbar Icons and their descriptions are presented in Figure 18-1.

## Chapter 18: Toolbars and Hotkeys

This chapter describes the various toolbars and hotkeys.

Toolbars use the picture button controls.

Toolbars and hotkeys allow the operator fast access to commonly used functions and operations.

Item	Description	Item	Description
1	Program Mode	11	MultiPac Display
2	Open File	12	MicroTurbine Data 1
3	Print Selected Panel	13	MicroTurbine Data 2
4	Exit Program (Stop)	14	Timers
5	Debug Command	15	File Manager
6	Site Configuration	16	Global Chart
7	Software Upload	17	E-Mail Settings
8	PM Write	18	About
9	PM Read	19	Manuals
10	MicroTurbine Display		

Note: Not all Icons (or hot keys) are available for each of the various versions of CRMS.

**Figure 18-1. Toolbar Icons**
